

# WOMEN'S DAY RETREAT 2018

## Scholarship Application

### Dear Scholarship Applicant:

It is our desire as the Women's Ministry Team that no woman be turned away from our Spring Retreat due to financial need. However, with limited scholarship funds available, it is important that women seeking scholarship funding submit applications and demonstrate financial need in order to be considered for a scholarship.

While we want to provide scholarships for women who truly need them, we also want to be clear that there is a limited amount of scholarship funds we can offer. This money is intended for use by women who could not come without aid. We encourage you to prayerfully consider whether or not you could save for the Retreat and help to free funds for others who could not participate without the assistance.

If you determine that you truly cannot attend without a scholarship, please do not hesitate to apply by completing this application. It is our sincerest desire and joy to bring women on this retreat regardless of financial situation.
