ABOUT:

2 ways to serve: CIT and SPEC OPS LEADER.

CIT's will have the opportunity to participate with the same group of campers each day for the entire week. The goal is that you build a relationship with the campers and assist the two SpringHill counselors for the team. Your role is to have fun with the campers and help meet their needs. This will include playing GWAPS (Games With A Purpose), singing songs, going on bathroom runs, helping with activities, and talking with kids about what they're learning about God.

SPEC OPS LEADERS will help manage a crew of students doing service projects in our community. The evenings will be a time of playing, bonding, worshiping, and planning for the next days events/projects. Remember this week is about SERVING others!
