

## MONTHLY OVERVIEW

The Happy Helpers Club is back, and we want everyone to join! In the past, we've talked about all the ways we can help. This time, we want to look at helping from a different angle and focus more on being thankful for the many people who help us. We're asking, who helps me, and how can I show them I am thankful for them?

Simply put, we want our preschoolers to grow up with eyes that see the helpers and a heart that is thankful, because no matter how grown up you are,

you always have people helping you and a thank you goes a long way.

When we stop and think about it, we are surrounded by helpers who deserve a big thank you for all the ways they help us. They are making the world we live in—the world our preschoolers live in—a better place.
