

MONTHLY OVERVIEW

What would you do if you were assigned a huge building project to manage? Or told to step into the leadership role for an entire nation where every person would depend on you to make the right decisions? How about helping someone else accomplish a big job where you're not going to get much recognition? Or, do the one thing you would be most afraid of doing, while everyone you know watches?

All of these are pretty big things and would intimidate most of us. However, God can help us do really big things. When our preschoolers are faced with big things, we want them to remember to hop to it, because God will help them.

Our world is filled with things that are big and sometimes scary. When our preschoolers face these big things, we don't want them to run. We want them to hop to it because they know God is big and will help them do big things.

WEEK ONE
