

# HEY DETROIT TEAM!

Hope you are getting excited, we are just over a month away from what is sure to be now of the best weeks of your summer! We have a whole bunch of info to tell you to help you be prepared for this trip!

1. **RIGHT NOW!** Take out your cell phone and text **@DETROIT202 to 81010**, type in your name, and select student. This will add you to the text update list! You will receive a reminder for our next meeting, as well as any other important information about the trip.
2. There are **2 electronic forms** that you need to fill out for this trip! The first is the liability release form, and the second is the form that says you will not bring your cell phone on this trip. Go to [www.thisis707.com/detroit](http://www.thisis707.com/detroit) to access these forms and fill them out!
3. **Parent Meeting** : Our last meeting is on June 13th from 3-5 PM. The last 30 minutes of that meeting will be a parent meeting where we answer any final questions about the trip, and give final details. It is not required that a parent attends, but highly encouraged!
4. **Packing List** : We will go over this list at our final meeting on June 13th. Everything on this list is important for you to bring unless it says "optional". If while you are packing you have questions on what to get - don't hesitate to ask Perry or Kristin.
5. **Trip Schedule** : We have included a basic overview of what we will be doing each day and what your day will look like. Granted, it does not include where you will be serving each day which is still being determined.
6. **Prayer Support** : We are asking that by no later than **June 13th** everyone has sent out a letter, text or email to a team of prayer supporters. We want to build an incredible team of people who are praying for this trip. Some of you have already begun to do this - and that is great! We have included a list of suggestions in putting a letter together - as well as a sheet for keeping track of your prayer team. We also ask that you send a letter to your prayer team after the trip is over.
7. **Finances** : The total trip cost is \$300, most of you paid the \$50 deposit, the next **\$150 is due on June 2nd**, and the final payment of **\$100 is due on June 13th**. If you have questions about what you owe - contact Chelsie! Please remember that all deposits and trip payments are non-refundable. You are also able to raise support for this trip! You can do this by sending out support letters or doing fundraisers like collecting pop cans, having a bake-sale, etc! If you have never written a support letter before and need help you can contact Perry or Kristin for examples!

We are so excited to be working with you all this summer. June 20th will be here before you know it - and we hope that you have been in prayer for this trip!

If you have **any** questions for us as you continue to prepare, please do not hesitate to contact either of us in the weeks to come!

Thanks,

*Perry*
