Registration Team

We will need people to help register and check in kids during the week of camp. The first day will require the most help, with it dwindling throughout the week. The hours would be 8:30-9:15ish. You would not be required to be there every day. There might also be some administrative prep work that would be done the week before camp if you would be available.

ACCESS Volunteer

Access is the way we at Oak Pointe Milford talk about providing accessibility support and services to individuals with disabilities, special needs, conditions, and those needing various accommodations in our church community. Our heart is to be an inclusive camp, and offer support services to any family and students that wishes to participate. Access Volunteers will go through special training and will be given responsibilities deemed necessary to support families and individuals requesting accommodation to attend our camp.

Snack Chat/Food Team

We need help prepping snack each day for the kids. We also could use some help putting on our volunteer lunch every day. Two shifts/day are available. If you are interested in helping, sign up, and in your confirmation email there will be a sign up genius where you can pick what days work for your schedule.

Counselors(ages 16-99)/Jr. Counselors

Guiding a group of about ten kids around to different activities and reinforcing what is being taught throughout that day. We would like the counselors to be available for each of the five days of camp; 8-1:30. This helps build relationships with the kids.

Craft Team

We need a team to help the kids put together their craft everyday that goes along with the story. If you are interested please sign up and then a sign up genius will be emailed to you where you can pick what day(s) you are available to help.

Recreation Team

Game time in the field! We will need help putting on games everyday for the kids. About three people per day from about 8:45-12.

Set Decoration

We need help transforming the church into Morning Camp! A lot of the work will be done Sunday June 9, after second service. There might be some prep work before then. Cheryl Hawes will be your contact.
