PERSONAL STUDY

SCRIPTURE

As you begin, pray and ask God to speak to you through His Word. Choose a passage and read/listen to it at least twice. Write down the verses/phrases that stand out to you that you want to remember or any things you might want to understand better or have questions about.

OBSERVATION

Take time to reflect on what you read. Answer the following questions and write down your thoughts, ideas, or any truths that you are processing from the passage:

- What did you like about this passage?
- Did anything concern you?
- What does this passage teach us about God?
- What does this passage teach us about people?
- Is there an example to follow?
- Is there a command to obey or an action to take?
- Is there a sin to avoid?
- Is there a promise claim?

APPLICATION

Pause and reflect on what truth you need to apply from your study. It is helpful to write out a specific commitment as you walk in further obedience.

PRAYER

Take time to pray and talk to God. Praise Him, confess sin, give thanks, and then pray for your needs and the needs of others. He hears us and answers our prayers!

SHARE

What we learn isn't just for us. Pray and reflect on who needs to hear the truths God is revealing to you. Pray for them and look for a time to intentionally share with them what you are learning.
